1 Mrs. SWARTZ: Meg Schwartz. 4204
2 Chaparral Drive, Naperville. I believe that
3 the safety integration plan that was due on
4 December 30th should be available at these
5 public meetings and I believe that they should
6 have additional public meetings when that is
7 available.

8 And I believe that their information
9 is not very clear that this includes
10 construction of a second rail line. And in
11 fact, there is a page within the CN
12 application that states there would be no
13 construction.

14 So I think that there needs to be
15 greater public outreach and public information
16 when they get more material together that's
17 accurate.
