3 I'm entirely against the
4 Canadian National purchase. I think it
5 will be too noisy, too costly in terms of
6 economic development. I don't think the --
7 I think EMS will suffer far too much in
8 response times and the ability to get to
9 people like my wife and people who live
10 right beside the four crossing corner who
11 are cut off from police and fire
12 departments.

13 I also think it's absolutely
14 atrocious that the STB has determined that
15 taxpayers should bear more of the costs
16 while a private company benefits, the
17 Canadian National profits itself.
