Length of Rail:8,530 ft, 4 switches
Lease and Operation Exemption
Surface Transportation Board Finance Docket FD36749
**CORRECTION OF CLERICAL ERROR IN NOTICE SUBSECTION (e) - BRIEF SUMMARY OF THE
PROPOSED TRANSACTION**

Dear Cynthia Brown,

We have been made aware of an inadvertant typographical error made in STB FD36749 as referenced above. In the *Notice* section of said docket, in subsection (e) - *Brief Summary of the Proposed Transaction*, the last sentence of the first paragraph mistakenly stated "*PRT anticipates entering into an interchange agreement with CSX.*" The corrected sentence in the Verified Notice of Exemption should state "*PRT anticipates entering into an interchange agreement with Union Pacific Railroad Company.*" No other corrections, changes, or modifications shold be made at this time to the Verified Notice of Exemption.

Sincerely,

DocuSigned by:

Michael Olender
