STB People:

My name is JW Madison, of Albuquerque, NM. I'm the Founder-President of Rails Inc, a volunteer Rail advocacy group.

I'm writing about **Docket # FD 36496**; the hearing next week concerning Amtrak, the CSX railroad, and the corridor between New Orleans and Mobile, AL.

I wish to weigh in on this for my group.

My comments will not run more than 5 minutes, but I'd like some time to answer questions if I get any.

Thank you.
