Group/Affiliation: Rally Against the CN Acquisition of the EJ&E

Message: Our family will not be able to attend the Rally at Lincoln-Way Cenrtal H.S. (9/10/08) or the Public Hearing in Joliet, IL (9/11/08). We want to have public record that we are COMPLETELY AGAINST the CN Aquisition of the EJ&E!!! You have NO IDEA the impact it will have on our community! The dangers involved (for so many reasons)are enough to make all that live here, literally ill! The traffic you will create is beyond words. I hope our small voices ring out loud and clear as to how much we detest this aquisition. Shame on all of you big corporations who care nothing about anyone else but yourselves!

Please make this email part of the public record!

Sincerely,

Sandra Michalski & Family
