Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: AUGUST 27 2008

Comments must be submitted by September 30, 2008.

I am very concerned on various fronts.

- ① safety of my children as they walk to school over the RR crossing w/o proper safety precautions
- ② traffic congestion on all the major roads
- ③ delays to metra rail - my husband and I both take the train down town and must be able to rely on the arrival times downtown and back homebound in Barrington.
- ④ Risk of hazardous waste spill and the community wells.
- ⑤ Home value depreciation
- ⑥ Quality of life.
- ⑦ Emergency Services ability to reach my home or hospital in timely fashion.
