How Do I Submit Comments?

- **Written Comments:** Complete and submit this form at a public meeting, or mail your comments to the Surface Transportation Board's address at the bottom of this page.
- **Recorded Comments:** Provide your comments to a court reporter at a public meeting.
- **Electronic Comments:** Submit electronic comments by visiting the Surface Transportation Board's website, www.stb.dot.gov, and clicking on the "E-Filing" link and then clicking on "Environmental Comments."

Please refer to Docket No. FD 35952 in all correspondence addressed to the Surface Transportation Board. The comment deadline is ~~May 16~~, 2016.

It would be beneficial to have ^{June 15} a car shop or repair (car) facility near Kingsbury to repair and inspect cars that will interchange with the CSS and NS. There are Quality RailRoaders with Experience willing to take positions in these areas. It would be safe and cost effective to have your own mechanical personnel on hand.

NOTE: When an individual chooses to submit an Environmental Comment or some Other Submissions, his or her personal contact information is considered public information and is shared within and outside of STB without additional authorization.
