Transcript:

I definitely oppose the railways, the Canadian railway going to EJ&E. I'm a school bus driver, we're in Plainfield as it is, we are stuck with trains left and right during rush hour and during all hours of the day and if we have to add anymore congestion to that, downtown Plainfield would be a gridlock. So I definitely oppose this, along with all my other bus drivers. Any questions, you can reach me at 815-791-8829. Thank you
