STB Finance Docket NO. 35087

One year ago, I moved into the Carillon @ Stonegate area on Indian Trail near Eola. The one detriment to this area is the whistle blowing and sound of trains, especially during the night. Sometimes I am awakened during the night with the train noise.

I am also concerned with the increased pollution and the length of time being stopped at train crossings.

A new 204 high school is coming to our area. (Eola and Duell road). That will cause increased traffic congestion. We don't need the added delay at train crossings.

An acceptable answer to the train problem in Chicago is not to divert it to our area. We also need solutions to our increasing traffic congestion.

The transportation of increased amounts of toxic waste is a huge concern!

Thank you for listening to our comments.

What scoping meeting did you attend? (Please circle) Muncie, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
