Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date:

8-27-05

Comments must be submitted by September 30, 2008.

I am very concerned about & opposed to the acquisition. There will be a huge deleterious effect on traffic in town. access to hospitals & other public services will be hindered.

Quality of life will be degraded.

Barrington is a delightful town & this train traffic will destroy our tranquility.

society also is a huge issue
The tracks are very close to
our high school, children
will be put at risk.

do we see you to take a position that the acquisition will have a negative impact & should be thwarted?

YOUR INPUT IS IMPORTANT!
