

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 8.28.08

No one can fully understand the impact of the E & E tracks being impassable unless you have sat on Rt. 59 between Rt. 14 & Main St in traffic!

How are ambulances to get across those tracks to get to Good Shepherd Hospital?

Progress should have been started with improvements to Rt. 59 not waiting until now.
