

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 9-15-08

I USED TO WORK IN FRANKLAND PARK, IL. TRAFFIC THERE WAS HORRIBLE, DUE TO FREIGHT TRAINS, ESPECIALLY WHEN THEY WOULD STOP AT A CROSSING, BACK UP AND EVENTUALLY PROCEED AT ABOUT 5 MPH. I WAS TOLD THAT THE RAILROAD WOULD BE FINED EVERY TIME THIS HAPPENED. I RECENTLY READ THAT THE FINES HAVE BEEN ELIMINATED GIVING THE TRAINS THE OPPORTUNITY TO DISRUPT TRAFFIC ONCE MORE.

WHAT PRODUCTS ARE SO IMPORTANT, THAT
A CANADIAN CO. CAN DISRUPT OUR LIVES
SO MUCH.
