JOINT NOTICE OF EXEMPTION

South Carolina Central Railroad Company, LLC (“SCRF”), as the owner of a perpetual freight operating easement, and Georgia Southwestern Railroad, Inc. (“GSWR”), as the lessee and operator, are hereby filing this Joint Notice of Exemption under the Board’s class exemption procedures at 49 C.F.R. Part 1152, Subpart F, seeking exemption authority for their respective abandonment and discontinuance of the freight operating easement with respect to the segment of the line of railroad extending between Milepost 72.88 and Milepost 72.63 (a total of 1350 feet) in the Town of Sasser, Terrell County, GA (the “Subject Line”). The underlying property is owned by Georgia Department of Transportation (“GaDOT”). A map of the Subject Line is attached as Exhibit A.

There has been no local or overhead freight service on the Subject Line for over two years (in fact, current management believes that there has not been any service on the Subject Line since 1996). Because this is a stub-ended line (the adjacent line segment was authorized for abandonment in 1996, and ultimately transferred for interim trail use and rail banking in 2015), there is no overhead traffic to be rerouted over other lines.

This Joint Notice of Exemption is being filed pursuant to the requirements of 49 C.F.R. §1152.50 regarding exemptions for out of service rail lines. In accordance with such requirements, SCRF and GSWR hereby provide the following information in support of their request for abandonment and discontinuance exemptions:

1. The exact names of the applicants are South Carolina Central Railroad Company, LLC and Georgia Southwestern Railroad, Inc.

2. SCRF and GSWR are common carriers by railroad subject to 49 U.S.C. Subtitle IV, chapter 105. SCRF originally acquired the line that includes the Subject Line from CSX Transportation, Inc. ("CSXT") in 1989. *South Carolina Central Railroad Company, Inc. – Purchase - CSX Transportation, Inc., Line between Dawson and Albany, Georgia*, ICC Finance Docket No. 31481 (served October 25, 1989). Subsequently, in 2002, SCRF sold the line that includes the Subject Line to GaDOT and retained a permanent freight easement and the common carrier obligation with respect to the Subject Line. *State of Georgia, Department of Transportation - Acquisition Exemption - South Carolina Central Railroad, Inc.*, STB Finance Docket No. 34057 (served April 30, 2002). At the time of the sale of the physical assets to GaDOT, the line had been leased to SCRF's affiliate GSWR, and GSWR continued to lease and operate the line after the sale. *Id.*

3. The relief sought by SCRF is an exemption for the abandonment of the Subject Line, being the freight easement for the segment of the line of railroad extending between Milepost 72.88 and Milepost 72.63 (a total of 1350 feet) in the Town of Sasser, Terrell County, GA. There are no stations on the Subject Line.

The relief sought by GSWR is an exemption for the discontinuance of its service over the Subject Line.

4. A detailed map of the Subject Line is attached hereto as Exhibit A. Additional topographic maps were included in the Environmental and Historic Report filed with the Board on December 6, 2018.

5. The representative of SCRF and GSWR to whom correspondence should be sent is:

Eric M. Hocky, Esquire
Clark Hill, PLC
One Commerce Square
2005 Market Street, Suite 1000
Philadelphia, PA 19103
(215) 640-8500
ehocky@clarkhill.com

6. The Subject Line traverses through United States Postal Service ZIP Code 39885.

7. As discussed below, SCRF and GSWR believe that the right-of-way may be suitable for trail use or other public purposes. The physical assets comprising the Subject Line, including the underlying property, are owned by GaDOT. Information in the possession of SCRF or GSWR regarding any additional restrictions on title will be made available on reasonable request.

SCRF and GSWR have received an expression of interest from South Georgia Rails To Trails Inc. ("SGRT") regarding the possible acquisition of the right of way for rail banking and interim trail use in order to extend its existing trail property and establish a trail head in Sasser,

Georgia.¹

8. SCRF and GSWR propose to consummate the respective abandonment and discontinuance on or after February 15, 2019.

9. SCRF and GSWR each certify that:

(a) No local or overhead traffic has moved over the Subject Line for more than two years (and believed to be since prior to 1996, a period of more than 22 years). Because the Subject Line is not a “through line,” there is no overhead traffic on the Subject Line.

(b) No formal complaint by a user of rail service on the Subject Line, or a state or local government entity acting on behalf of such user, regarding cessation of service over the Subject Line either is pending with the Board or any U.S. District Court, or has been decided in favor of the complainant within the two year period.

10. Although no employees of the SCRF² or GSWR will be affected by the proposed abandonment, SCRF and GSWR recognize that their respective abandonment and discontinuance of the Subject Line will be made subject to the standard employee protective conditions as set forth in *Oregon Short Subject Line Railroad Co. - Abandonment -- Goshen*, 360 I.C.C. 91 (1979).

¹ SGRT previously has acquired for interim trail use and rail banking the adjacent segments of track that were abandoned by GSWR as successor to SCRF. Although the original NITU was vacated in 2003 (*Georgia Great Southern Division, South Carolina Central Railroad Co., Inc. – Abandonment and Discontinuance Exemption – Between Albany and Dawson, In Terrell, Lee and Dougherty Counties, GA*, STB Docket No. AB 389 (Sub-No. 1X) (served May 16, 2003)), in May 2006, SGRT filed for a new NITU with respect to the portion of the line between Milepost 77.8 and Milepost 86.5. SGRT closed on the acquisition of that portion of the line for interim trail use in 2007. Thereafter, in May 2014, SGRT filed for a new NITU for the remaining segment adjacent to the Subject Line between Milepost 72.88 and Milepost 77.80. SGRT closed on the acquisition of this additional portion of the line for interim trail use in 2015.

² SCRF is a non-operating owner of the Subject Line, and has no employees working on the Subject Line.

11. SCRF and GSWR filed a Joint Environmental / Historic Report (“EHR”) with the Board on December 6, 2018, more than twenty days prior to this filing.³ Since the filing of the EHR, SCRF and GSWR received an additional response and filed a letter supplement to the EHR on December 12, 2018.

12. SCRF and GSWR each certify that it has complied with the legal (newspaper) notice requirements of 49 C.F.R. §1105.11. Notice of the proposed abandonment and discontinuance was published in *The Dawson News* on October 18, 2018. A copy of the form of notice and a copy of the proof of publication are attached as Exhibit B.

13. SCRF and GSWR each certify that it has complied with the notice requirements of 49 C.F.R. §1152.50(d)(1). A copy of the notice dated December 6, 2018, sent to the required governmental agencies is attached hereto as Exhibit C.

³ GSWR is not required to prepare and file an environmental and historic report in connection with its proposed discontinuance of service. See 49 C.F.R. §1105.6(c) and §1105.8(b). See also *Blacklands Railroad, Inc. – Discontinuance Exemption – In Rusk County, Tex.*, STB Docket No. AB 1108X (served April 3, 2013); *CSX Transportation, Inc. – Discontinuance of Service Exemption - In Raleigh County, W. Va.*, STB Docket No. AB 55 (Sub-No. 725X) (served September 11, 2012); *Norfolk Southern Railway Company – Discontinuance of Service Exemption – In St. Joseph and LaPorte Counties, IN*, STB Docket No. AB-290 (Sub-No. 307X) (served June 18, 2008). However, since the discontinuance involves the same Subject Line as SCRF’s proposed abandonment, GSWR joined with SCRF in the consultation with agencies and the preparation of the EHR.

For the reasons set forth above, the Board should find that SCRF's proposed abandonment, and GSWR's proposed discontinuance, each satisfy the exemption requirements of 49 C.F.R. §1152.50, and should issue the appropriate notices.

Respectfully submitted,

Eric M. Hocky
