Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

Please reject the CN Rail Company proposal. It will drastically degrade the quality of life for the entire region. Safety issues abound for our children and families. Increased rail traffic poses delay for emergency vehicles and greatly increases risk for accidents along the rail.

Thank You,

Chad Miller
