Tracie,

Thanks again for updating this list and for providing the log of attempted contacts. I was thinking that we should add the email address for Patricia Young who provided me with the Native Village of Tetlin's updated contact information. Also, my phone number and fax are listed incorrectly. I have made changes there as well (our area coded is 202, not 201, and our fax is 202-245-0454).

I have attached the updated list below.
