Transcript:

I'm calling to leave feedback about the purchase of the EJ&E Railroad. I am not for this, I am totally against this. I think it will damage our community and the surrounding communities here. We have a nice neighborhood and we do not need delays at railroad crossings for safety reasons and the possibility of delivering dangerous chemicals through our area is also a safety threat. So I would like to place my opinion and vote no, just leave my comment, like I did, that I am totally against this. Any questions, you can call me, 612-307-0123, it's a cell phone, it's a Chicago area code, but I am a resident of Bartlett. Thank you
