Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

I seriously am concerned at the impact CN would have to the life style, traffic noise if they are to purchase the EJE rail system that goes through Barrington, IL. I am a resident of the area within 30 ft. of the rail system. Currently our property is supposed to be in a NO NOISE ZONE & daily the train blows ~~that's~~ horn c. 400. On several occasions just to travel approx 4 mi, if a train is in the area I have been stopped at 4 crossing areas just to go 4 miles.

I hope that everyone's action is heard & CN desire to purchase the EJE rail line is rejected.

YOUR INPUT IS IMPORTANT!
