STB Finance Docket No. 35087**Date:**

My name is Camille Fountas, I go to Hough St. School and I am in 4th grade. I live on Lake St., close enough to hear the trains. I don't think we need more trains, and it's not like ~~we as~~ we as Barrington residents can't find spots on trains, in fact I think that there are even many extra seats on the trains.

There are even medical emergencies that ~~we can't~~ people can't do anything about because of the trains. There are many reasons not to go with the idea of more trains.

YOUR INPUT IS IMPORTANT!
