Enclosures

Exhibit A

UNDERTAKING – CONFIDENTIAL MATERIAL

I, G. Paul Motes, have read the Protective Order served on October 22, 2007, governing the production and use of Confidential Information and Confidential Documents concerning STB Finance Docket No. 35087, in the proceedings for regulatory authority for the creation of EJ&EW, and in related proceedings, understand the same, and agree to be bound by its terms. I agree not to use or permit the use of any Confidential Information or Confidential Documents obtained pursuant to that Protective Order, or to use or to permit the use of any methodologies or techniques disclosed or information learned as a result of receiving such data or information, for any purpose other than the preparation and presentation of evidence and argument in STB Finance Docket No 35087, in the proceedings for regulatory authority for the creation of EJ&EW, and in related proceedings before the Surface Transportation Board, and/or any judicial review proceedings in connection with any of those proceedings. I further agree not to disclose any Confidential Information, Confidential Documents, methodologies, techniques, or data obtained pursuant to the Protective Order except to persons who are also bound by the terms of the Order and who have executed Undertakings in the form hereof, and that at the conclusion of this proceeding (including any proceeding on administrative review, judicial review, or remand), I will promptly destroy any documents containing or reflecting materials designated or stamped as "CONFIDENTIAL," other than file copies, kept by outside counsel, of pleadings and other documents filed with the Board.

I understand and agree that money damages would not be a sufficient remedy for breach of this Undertaking and that Applicants or other parties producing Confidential Information or Confidential Documents shall be entitled to specific performance and injunctive and/or other equitable relief as a remedy for any such breach, and I further agree to waive any requirement for the securing or posting of any bond in connection with such remedy. Such remedy shall not be deemed to be the exclusive remedy for breach of this Undertaking but shall be in addition to all remedies available at law or equity.

Signed. G. Paul Motes
