Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: August 21 2008

Comments must be submitted by September 30, 2008.

As a resident of the Barrington Township
I am against the CN acquisition on the
basis of the effect of emergency vehicles being
cut off from many parts of town if a longer
train is stopping traffic for the extended
periods of time that would occur.

The potential loss of life is too great
a risk to open during the days and evenings
the trains going thru town.
