Transcript:

I am calling to voice my concerns about the acquisition of the Canadian um Railway going through Plainfield. I would be significantly impacted by this as I have to cross the railroad tracks four times a day and um, there's no place to cross other than at grade level for me. Um, I also worry about my kids, who ride their bikes and having to cross the train tracks, as well as noise, vibration, and pollution. So, um any questions, 630-7421185. Thank you
