Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

The CN Rail line plan for the former
EJ&E rail line through the Northwest
suburbs, specifically communities like Barrington,
is without the proper assessment of
impacts to Social Infrastructure,
Traffic Safety and natural resources.
If this plan had been placed
by an industrial, municipal or other
business ... The same plan would have
failed on all levels of feasibility.
The transportation review process is weak!!
Take a look at what others must do.
