The children of this & surrounding subdivisions would be in danger with the proposed amount of trains crossing Division Street every day. The children will get impatient waiting to cross the tracks and cross anyway and could get killed trying to go to the shopping mall. If there is a derailment with a toxic spill or possible explosion the emergency vehicles would not be able to respond quickly with 3 main streets blocked by the disabled train. Our subdivision could be cut off from help and many could perish or be injured.
