EJ&E Sale to Canadian National

All,

Please stop the sale of EJ&E to Canadian National! I live in Plainfield, where we have 17 railroad crossings that dissect our community. We do not have overpasses. We have children that must take busses across these tracks! This is a concern of safety! Please protect our children.

This sale will impact our already plummeting home values, increase our taxes, and fill our neighborhoods with traffic and noise. Stop this reckless sale now! The plans for improvements and safety are pathetic. All evaluations point to the risks and negative effects of this purchase. Please, support our communities!
