Additional Request re: STB Docket #AB-515 (Sub-No. 2) and STB Finance Docket No. 35160

Dear Ms. Quinlan.

I wish to add to my earlier request two individuals who would like to participate in the Surface Transportation Board public hearing that is scheduled on August 21, 2008 in Eugene, Oregon, concerning the the intent to abandon, or force the sale of, the Coos Bay rail line. The Oregon International Port of Coos Bay is looking to purchase that line. The hearing involves the following two applications and docket numbers.

1) *Central Oregon & Pacific Railroad, Inc.—Abandonment and Discontinuance of Service—in Coos, Douglas, and Lane Counties, OR*, STB Docket No. AB-515 (Sub-No. 2),

2) *Oregon International Port of Coos Bay—Feeder Line Application—Coos Bay Line of the Central Oregon & Pacific Railroad, Inc.*, STB Finance Docket No. 35160

Timothy Singler and Mhaire Merryman would also like to participate in this hearing. They are landowners associated with our group that have a lot of experience with the railroad. They are requesting ten minutes to speak. Please add these speakers in addition to my own request to speak that was sent earlier.

Sincerely yours,

Jody McCaffree
