My house backs up to these tracks. I have all of the same concerns that have already been mentioned so many citizens.

★ There is an EXEMPT RR Track that runs thru Walworth County in Wisconsin only 50 miles from Barrington. These are the tracks that should be purchased along with farm land in the county so all these trains of the nightmare in traffic jams it would cause in the Metro area ^{dear God} (it doubt) the traffic will even clear from the crossings before another train comes. Move this project away from the ~~city~~ communities. Farm land is much more economical to purchase & improve.

Please go further from the Chicago area & check into ~~the~~ other options & RR Tracks.

This foreign company will destroy the Chicago Metro area if they are allowed to purchase E&EJ.

I have enjoyed my home for 22 years - we got deer from Cuba Marsh ^{in our yard}. This should not be allowed to happen.

YOUR INPUT IS IMPORTANT!
