RE: AB 55-625X in Preston County, West Virginia

Dear Ms. Brown,

National Association of Reversionary Property Owners (NARPO) asks the STB to rescind the NITU on the portion from MP 9.78 to MP 14.3 of AB 55-625X that has not had a NITU extension since the last STB decision on February 2, 2016. Also it would appear the CSX consummation date has not been extended since the February 2, 2016 STB decision. A trails use agreement between Greer Industries and CSX for the portion of the rail line between MP 0.0 and MP 3.0 was signed August 21, 2013. NARPO has a member along the right of way with reversionary rights, and they would like to recover their rights to the underlying land.

Sincerely yours,

Richard Welsh, executive director NARPO
