dentist

I am a local business owner and resident of Barrington. My business is located on Main Street in Barrington approximately 3 blocks from the EJ&E railway crossing. As it is now, my patients do not like coming into town because of the existing traffic. The existing trains and congestion often make travel times through town extend to 10-15 minutes. The increase in train traffic on EJ&E will absolutely ~~rein~~ make traffic congestion unbearable in town. This will inevitably affect my business as people will likely find a dentist that is more easily accessible. And it's not just my business all businesses in Barrington will be affected and ultimately have to move or go out of business. Do Not let this happen to me and the other businesses in Barrington.

YOUR INPUT IS IMPORTANT!

Name:	Thomas Jackson
