While one month ago this would have been an issue of concern, now that the 3rd High School will be built on Eola South of Diehl, this is a REALLY BIG CONCERN

Imagine the increased traffic (busses, student drivers, parents, athletic event attendees etc etc) and how the absence of bridges over the tracks at Diehl + Liberty will add to crossing safety concerns + increased travel time

We need funding help to mitigate the problem that will be caused by this sale - particularly the new High School.
