Address 2					
City	Joliet, Will County	State	IL	Zip	

Transcript:

Joliet, Will County does not need a railroad running through it, you can't get in or out of this city from the east, north, south, or west, that should tell them something. But Joliet is very quiet on this, the Joliet city council, they're very, very quiet on this, they want it and the public doesn't.
