Re: Urgent Issues in Freight Rail Service—Railroad Reporting  
STB Docket No. EP 770 (Sub-No. 1)

Dear Ms. Brown:

Pursuant to the orders of the Surface Transportation Board in the above-captioned proceeding served May 6, 2022 and October 28, 2022, The Kansas City Southern Railway Company submits its service data report for Week 12 of 2023.

Lines 19 through 24 have been left blank at this time due to a very narrow data error affecting assembly of car mileages on two days of the subject week. That error affects the weekly total car miles and average daily car miles normally reported in Lines 19 through 24. KCS continues to try to assemble the correct data for car mileages on these 2 days.

If there are any questions concerning this report, please contact the undersigned.

Sincerely,
