Yeah, I just want to say this is all great and dandy that you're helping people out with the railroad, I hope to god that it goes through and ruins the rest of the south suburbs like the Mayor of Monese ruined Monese with putting in industrial factories behind my house and nobody helps me, Halverson, Dugan, nobody wants to help us. So, I just really hope this goes through. It'd be awesome to ruin the rest of the south suburbs. Because it's terrible what you people in this government, in this country do. So that's all I have to say. And if you want to get a hold of me, my phone number is 847-561-2411. I just really hope it goes through because I hope it gets ruined, Frankfort, Mokena, everywhere, because I asked for help from the State of Illinois and nobody won't help me, so I hope nobody helps the residents of Frankfort and the rest of the communities that are affected by this.
