PETITION TO REDUCE RAIL CONGESTION IN THE CHICAGO REGION

SUPPORT CN'S ACQUISITION OF THE EJ&E

To: The Surface Transportation Board

We respectfully urge you to approve Canadian National's proposed acquisition of the EJ&E rail line, which will reduce rail congestion across the Chicago region.

If the Chicago region is to remain a vibrant transportation hub, we need to address rail and roadway congestion. CN's acquisition of the Elgin, Joliet & Eastern line will keep freight trains moving more efficiently and swiftly through the region, which is crucial for jobs and economic development.

This acquisition is in the best interests of the residents and businesses of this region overall.

Sincerely,

The Undersigned
