ATTN: Dave Navecky -Docket No. FD35952

Surface Transportation Board
Office of Environmental Analysis|
395 E. Street SW
Washington, DC 20423-0001

Dear Mr. Navecky:

I would like to express my concerns over the proposed Great Lakes Basin Transportation, LLC rail line project. Docket # 35952.

I oppose the project and ask the Surface Transportation Board to deny the proposal.

My concerns are: the natural grade of the land will be altered disrupting the natural flow of surface water, creating artificial ponds and wetlands; stagnant water will lead to issues with mosquitoes, wildlife and access to areas and ground water contamination due to spills and/or derailments.
