Dear Surface Transportation Board, please deny the request from the glb to keep their list of investors secret. We have every right to know who the investors are. In order for there to be transparency, we need to know WHO is behind this! No financing, no funding, and no customers! this request needs to be denied immediately and the entire application needs to be rejected. thank you, Julie Kokos Sumner Township, where the "proposed railport" would be disguised as "Manteno railport"
