Draft Environmental Impact Statement for the  
Proposed Canadian National Railway Company  
Acquisition of the Elgin, Joliet and Eastern Railway  
Company

STB Finance Docket No. 35087

Date:

8/27/08

It makes no sense to run a rail line through Barrington, IL or to increase the rail traffic. The town comes to a standstill with commuter traffic only. Increased rail traffic through a congested suburban environment will mean significant deficiencies in public service, ~~sh~~ schools and emergency vehicles.
