

2.

- Adjoining towns cross each other by people traveling to + from school + work.

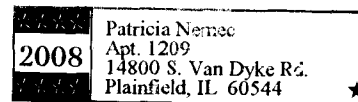

My town of Plainfield has a lot of crossings + I'm acquainted with my son's town of Frankfort which I believe has as many or more.

The last thing we need is more trains. Fewer would be good.

Sincerely,

Patricia Nemeec
(age 80)

To Whom It May Concern:

I am writing to OPPOSE the purchase of the ESE by CN for the following reasons

- Significant vehicle delays at RR crossings on our already congested roads
- The safety of the crossings: namely emergency response times (I live in a senior retirement community - my 3rd - and we have ambulances coming and going several times a ^{week} ~~day~~)
to say nothing of the noise, pollution + vibrations. The crossings need constant repairs.
