Draft Environmental Impact Statement for the  
Proposed Canadian National Railway Company  
Acquisition of the Elgin, Joliet and Eastern Railway  
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

I am strongly opposed to the proposed Canadian National Railway Co's acquisition of the Elgin, Joliet & Eastern Railway Company.

It will have a detrimental effect upon the traffic congestion in downtown Barrington. The increased number of trains will affect the safety of drivers and walkers due to increased traffic.

Our community will be negatively impacted by this acquisition.
