Subject: Question for you from the Post-Tribune

Hi, Mr. Navecky,

I'm a freelance writer for the Post-Tribune in Porter County, Indiana, and heard the deadline for the comment period for the Great Lakes Basin Transportation proposal has been pushed from May 16 to June 15. I wanted to get that confirmed for a story I'm working on. I also heard additional meetings have been added for the Environmental Impact Study. I know one was added in Valparaiso in Porter County for Tuesday morning. When and where else has a meeting been added?

Thanks in advance for your time!

Best,

Amy Lavalley
