Environmental Impact Statement

Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date:

8-28-08

Comments must be submitted by September 30, 2008.

As a Barrington resident, I
vehemently object to the CN
acquisition. Increased freight
through our town and other
N.W. suburbs will compromise
public and ~~the~~ environmental
safety, i.e., access to hospitals,
fire departments and other
critical services. CN, I feel,
is not to be trusted when it
says it will work w/ communities
to alleviate concerns/problems.
