Company

STB Finance Docket No. 35087

Dear Canadian National Railway -

I am a 24 year resident of Barrington and raised two children here. We chose Barrington for many reasons, but to name a few reasons:

- the community itself
- the quaint - style of living and working
- employment; including 13 years of work as a Public Service Officer, for the Village of Barrington.
- the education system
- the property & potential value increase
- the ease of walking into town
- the ease of biking into town
- the peacefulness in our community
- and several more reasons; too numerous to list.

It would be a disgrace to each resident who has chosen to live, work & play here. Although I know this wouldn't be feasible for CN Railway, I'd suggest you spend a minimum of 5 business days, during the school year, at rush hour time in and out pm, and see how terribly congested the traffic in Barrington has become. I urge & beg CN to go no further

YOUR INPUT IS IMPORTANT!
