re: U.S. Surface Transportation Board Finance Docket No. 35087

Dear Ms. Quinlan,

I would like to register my opposition to the Canadian National Railway's purchase of the Elgin, Joliet and Eastern Railway.

I already experience frequent interruptions in my travel at the several "at-grade" rail crossings in my area. These would increase if CN purchases the EJ&E.

Also, there would be the transportation of hazardous materials through the area. This is a concern.

Thank you for your attention to my concerns,
