**OVERSIGHT HEARING PERTAINING TO UNION PACIFIC
RAILROAD COMPANY'S EMBARGOES****NOTICE OF INTENT TO PARTICIPATE
AMERICAN FUEL & PETROCHEMICAL MANUFACTURERS**

Pursuant to the Board's notice served on November 22, 2022, American Fuel & Petrochemical Manufacturers (AFPM) hereby notifies the Board of its intent to participate in the hearing to be held on December 13 and 14, 2022. AFPM is the leading trade association representing the makers of the fuels that keep us moving, the petrochemicals that are the essential building blocks for modern life, and the midstream companies that get our feedstocks and products where they need to go. AFPM members ship over 2 million carloads by rail annual and AFPM members' operations have been directly and adversely impacted by the Union Pacific Railroad's increased use of embargoes and the threat of those embargoes. AFPM respectfully requests 10 minutes for Rob Benedict, AFPM's Vice President, Petrochemicals and Midstream to speak on behalf of AFPM members. If possible, AFPM requests a speaking slot on December 14th due to a scheduling conflict on December 13th.

Sincerely,

Rob Benedict
Vice President, Petrochemicals and Midstream
