How will CN's proposed acquisition of the EJ&E impact you?

- ① Education transportation (Bus) excessive delays to and from school and extra-curricular activities.
- ② Excessive delays from neighborhood to work... lost income.
- ③ Health care issues from excessive pollution.
- ④ Excessive "noise pollution" in neighborhood and community.
- ⑤ Excessive delays for emergency vehicles causing more threats of death.
- ⑥ EJ&E rail line right through neighborhood... Addition of more trains will deflate value of home/neighborhood.
- ⑦ More STRESS on traffic grid-lock
