☐ Demurrage Charges
☐ Fuel Surcharge
☐ Information Request
☐ Other

Railroads Involved:

EJ&E, CN

Location of Problem:

Name of Industry at Location:

Serving Rail Carrier at Location:

Dates Problem Occurred:

Comments:

I urge the Board to reject the latest compromise proposal from CN regarding the acquisition and use of EJ&E lines in the suburban Chicago area. The disruption to normal and emergency traffic flows of the proposed increase in traffic is unacceptable and dangerous. In addition, holding the scheduled September 9 meeting in a location far removed from those to be affected by the proposed changes does not appear to be designed to encourage participation and feedback.

Permission given to contact the rail carrier(s)?

- ☒ Yes
☐ No
