

The seal of the National Police Transgression Board (NPTB) is a circular emblem. It features an eagle with spread wings, perched on a shield. Above the eagle's head is a smaller shield containing a star. The words "NATIONAL POLICE TRANSGRESSION BOARD" are inscribed around the top inner edge of the circle, and "NPTB" is at the bottom. Two stars flank the bottom text.

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: Aug. 27, 2008

Our community was established long before C & J RR came through town. We should have precedence over that right away which is now to be sold to C & N. Our homes and businesses have grown along streets that never expected the railroads to take over residential space and threaten the safety of our citizens and spoil our quality of life for noise and dis pollution.

Our children walk to school and need assurances of safety as they go. Our fire and safety person don't all live at the facilities and would have a problem even getting to the stations. The long trains projected would block streets so the personnel as well as the vehicles ^{can't} go to aid those in need. My husband has a heart condition that might need medical services which might not be able to get to him and/or get him to a hospital.

YOUR INPUT IS IMPORTANT!
