

080203 Conner

I would like to make a recorded comment. My name is Naoma Conner. I live at 315 East Liberty Street in Barrington IL. The proposed increase in traffic through the Barrington area would virtually shut down the town. There would be no access to the hospital, fire department, police station, commuter train. It would just be total havoc. There is just absolutely no way that the town could function under those circumstances. Thank you.
