I'm writing to voice a complaint about the location you've chosen for the September 9 public meeting on the EJ&E sale. Selecting West Aurora High School as the meeting location for Naperville, Aurora, and Plainfield just doesn't make sense. It isn't convenient being 7 miles away from people who are the most affected by that rail line. It appears shady on the surface and it's evident that you didn't perform the most basic due diligence if Waubonsie High was not even considered and queried. Please reconsider having the meeting at a location closer to the rail line. Thanks.
