How will CN's proposed acquisition of the EJ&E impact you?

Living near the E J & E, at Cuba Rd,
has not been a problem w/ 4-5
trains a day - with 34 times that many
per day, it will be unpleasant & disruptive
to our lives.
Settling through downtown Barrington
will be impossible. Impedance &
fire protection will be a big
problem.
I also oppose the expansion of
the ownership by another country.
