Re: The Great Walton Railroad Company—Petition for Declaratory Order,
AB 1242_1. Renewed Request for Expedited Consideration

Dear Chief Counsel,

This letter seeks permission to clarify the second sentence in footnote 1 of the letter filed August 29, 2025, regarding The Great Walton Railroad Company's *Renewed Request for Expedited Consideration*. That sentence should read as follows: "In recent years, the *ancillary runaround track, which is in excess of 320 feet in length*, has been used solely to reposition locomotives to the front of the train for the return trip to Bowersville from Redline Plastics 2, LLC ("Redline Plastics), which is GWRC's only customer." (The italicized language reflects the only change in the original letter).

Respectfully submitted,

/s/ Richrd H. Streeter
